Dear Ms. Barr:

This letter responds to your letter request, dated June 2, 2009, to assign mineral material sales contract UTU-73390-A3, the Milford Ballast Rock Quarry, from Twin Mountain Rock Company to Martin Marietta Materials Real Estate Investments, Inc.

In that letter you state your acceptance of all terms, conditions, and stipulations of the existing contract, and acknowledge that the right to enter the sales contract area and conduct extractive, processing and sales operations is contingent on obtaining an approved transfer of Twin Mountain's large mine permit, M/001/036, and reclamation surety for the Quarry to Martin Marietta.

This office acknowledges and accepts the terms of the assignment, subject to the approved transfer of the large mine permit and reclamation surety and provided this office is notified in writing within 15 days of the approved transfer.

Should you have any question regarding the assignment, please contact Ed Ginouves of my staff at the letterhead address, or by phone at 435-865-3040.

Sincerely,

Randy M. Trujillo  
Acting Field Office Manager
